CLOSURE SCHEDULED IN MALIBU

MALIBU – The California Department of Transportation (Caltrans) will alternate the closure of northbound and southbound lanes on Pacific Coast Highway (SR-1), between Big Rock Road and Pena Road, Thursday night, September 15, between 9 p.m. and 5 a.m. due to lane striping.

During the evening one lane of travel in each direction will be available at all times. The re-striping will complete a pavement rehabilitation project that will result in a safer and smoother riding surface for motorists.
